Salt lake City, Utah 84107

Subject: Approval of Notice of Intent to Commence Large Mining Operations, Graymont Western US Inc.,
Fingers Quarry, M/027/006, Task #2642 Millard County, Utah

Dear Mr. Brown:

The Division has recieved the reclamation surety for the Cricket Mountain Mine (Fingers) and two clean copies of the NOI. The Division now permits you to begin mining operations as outlined in you large mining notice. The permitted disturbed area for Fingers is 215.5 acres. The surety will be reviewed periodically to assure that the bond remains adequate.

Enclosed are copies of the signed and executed Reclamation Contract and surety bond forms for your files. Also enclosed is a copy of the "approved" Notice of Intention to Commence Large Mining Operations for your files. Please keep your plan current by submitting changes using Form MR-REV-att, which is located on the web at www.dogm.utah.gov.

All future correspondence should reference M/027/0006. Thank you for your help and patience in finalizing this permitting action. Please call me if you have any questions in this regard.

Sincerely,

Paul Baker
Minerals Program Manager
